Clear Creek horses are cow horses that frequent roping pens, PRCA arenas and ranch rodeo competitions all over the country. They are big, sound "user friendly" ranch horses with the intelligence and talent to do the job they are asked to do. Several of our previous sale graduates have won Top Horse awards and Ranch Rodeos in this 4 state area in the last year alone!! The 2009 offering includes many grays, roans and buckskins for your consideration.

The largest concentration of Driftwood mares in this part of the country!
